I know it's been a lot of work for my mommy to carry me around. She's been eating healthy foods and getting plenty of exercise. She's also been taking prenatal vitamins to make sure I'm getting all the nutrients I need.

I'm so grateful for my mommy. She's the best mommy in the world. She loves me so much and she's always taking care of me.

I can't wait to meet my daddy too. I know he's going to be a great daddy. He's always so excited to talk to me and he loves to sing to me.

I'm so lucky to have such a loving family. I can't wait to meet you all and start my new life.

Here are some things I've been doing inside my mommy's tummy:

- I've been growing and changing a lot. I started out as a tiny little embryo, but now I'm a fully-formed baby.
- I've been developing my own unique personality. I love to kick and wiggle and play with my umbilical cord.
- I've been learning how to suck my thumb and yawn.
- I've been listening to my mommy's heartbeat and her voice. I can even recognize her voice now.
- I've been dreaming about the day I get to meet my mommy and daddy.

I'm so excited to start my new life with you. I can't wait to meet you and see the world with you.

Love, Your baby
