Kiersten White is a rising star in the Star Wars universe. Her debut novel, *Padawan*, was a New York Times bestseller and has been praised for its strong female characters and its exploration of the Force.

White was born in San Diego, California, and grew up in a military family. She began writing at a young age, and her first novel, *Paranormalcy*, was published in 2009. Since then, she has written several other novels for

young adults, including the New York Times bestselling And I Darken trilogy and the Slayer series.

White's love of Star Wars began when she was a child. She was drawn to the story's themes of hope, redemption, and the power of the Force. When she was approached to write a Star Wars novel, she was thrilled.

Padawan is set in the High Republic era, 200 years before the events of the Star Wars prequels. The novel follows the journey of Jedi Padawan Vernestra Rwoh as she trains to become a Jedi Knight. Vernestra is a strong and determined character, and she is determined to prove herself worthy of the Jedi Order. She is also struggling to come to terms with her own identity, and she must learn to balance her duty to the Force with her own desires.

Padawan was a critical and commercial success. It was praised for its strong female characters, its exploration of the Force, and its action-packed plot. White's writing is praised for being clear and concise, and she has a knack for creating suspenseful and emotionally resonant stories.

White is currently working on the sequel to Padawan, which is scheduled to be released in 2023. She is also developing a Star Wars television series for Disney+. White is a talented writer with a passion for Star Wars, and her work is sure to continue to delight fans of the franchise.

Interviews with Kiersten White

In an interview with StarWars.com, White spoke about what it was like to write a Star Wars novel.

>"It was a dream come true," she said. "I've been a Star Wars fan my whole life, so to be able to write a story in this universe was an incredible honor."

White also spoke about the importance of strong female characters in Star Wars.

>"I think it's really important to have strong female characters in Star Wars," she said. "The Force is a powerful thing, and it can be used for good or evil. I wanted to write a story about a young woman who is trying to find her place in the galaxy and to use her power for good."

In an interview with The New York Times, White talked about the themes of Padawan.

>"I think the main theme of Padawan is the importance of following your own path," she said. "Vernestra is a young woman who is trying to figure out who she is and what she wants to do with her life. She has a lot of expectations placed on her, but she ultimately has to make her own decisions."

White is a talented writer with a passion for Star Wars. Her work is sure to continue to delight fans of the franchise.

Awards and Accolades

Kiersten White has received numerous awards and accolades for her writing, including...

- New York Times Bestseller for Padawan

- Locus Award for Best Young Adult Novel for And I Darken
- Goodreads Choice Award for Best Young Adult Fantasy for Slayer
- National Book Award Finalist for The Guinevere Deception

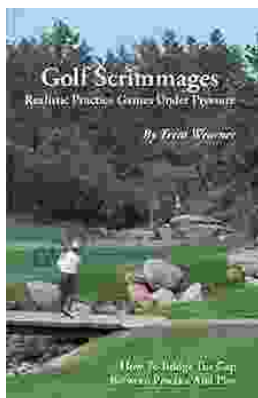

White is a rising star in the world of literature, and her work is sure to continue to delight readers for years to come.
