

This Savage Song: A Monster of a Book

By Victoria Schwab

This Savage Song is a dark and lyrical fantasy about monsters, magic, and the power of music. Set in a world where monsters are real and music is their only weapon, This Savage Song follows Kate Harker, a young woman who discovers she has the power to control monsters.

Kate is a musician, but not just any musician. She's a Siren, a person who can control monsters with her voice. When she was younger, she witnessed her mother being killed by a monster, and she's been afraid of her powers ever since. But when a new monster threatens her city, Kate must face her fears and use her powers to save her home.
